

# Victa Mobile Ruggedized

Empower your team in any environment – ruggedized performance that goes wherever business happens.

Built to withstand tough conditions and high-demand environments, Verifone Victa Mobile Ruggedized combines high durability with seamless connectivity and secure payments. Whether indoors or out, it's the reliable companion for mission-critical commerce.

## Key Features

### Customer experience

- Boost customer engagement on the **6.7" HD+ touchscreen**.
- **Contactless sensors behind the display** improve tap to pay ergonomics.
- Send receipts instantly with **NFC-enabled digital receipts**.

### Power and performance

- **Qualcomm SM6225 Octa-core processor** delivers fast, responsive app performance.
- Process more transactions with battery life of **over 12 hours of continuous use**.
- Scan barcodes and coupons with the dedicated 2MP barcode camera with red aimer.

### Built for the future

- Keep transactions safe with a device **engineered to support PCI 6 and PCI 7**.
- Run powerful apps with Android 14 and Verifone Secure OS.
- Verifone sets the standard for accessibility with **the award-winning Navigator app**.
