

# Victa Unattended

Keep commerce moving with Verifone's rugged, always-on payment solution.

Victa Unattended features a bright 3.5" touchscreen, PIN entry, and flexible connectivity—including 4G LTE—for secure, tap-to-pay transactions in high-traffic environments. Its weather- and impact-resistant design makes it ideal for kiosks, transit, and vending—indoors or out.

## Key Features

### Customer experience

- Scan codes for loyalty, coupons, or APM with the dedicated **barcode camera**
- Deliver receipts instantly with **NFC-enabled digital receipts**
- IP65 and IK09 ratings** support durability for both indoor and outdoor use

### Power and performance

- Qualcomm quad-core A53 processor** boosts apps performance
- Stay connected anywhere with **Wi-Fi and 4G LTE**
- Connect to Verifone's cloud-based services** to enable application management.

### Secure the sale

- Keep transactions safe with **PCI 7 compliance**.
- Run powerful apps with **Android 13**
- Verifone sets the standard for accessibility with **the award-winning Navigator app**.
