REBEL PRACTITIONER LIVE VIRTUAL 2021

VIRTUAL + GLOBAL SEPTEMBER 10TH-12TH, 2021

The fastest way to attract ideal clients and transform your degree, certification, education or passion into sustainable financial freedom.

IMPORTANT:

As a trauma-informed event our primary goal is your safety, no matter your race, religion, political or sexual orientation. Our company and environment is actively anti-racist, non-oppressive, inclusive and pro LGBTQIA+. For years our events have led the way for explicitly acknowledging and addressing white privilege and supremacy in the field of personal development.

All races, genders, sexual orientations, religions, political affiliations and people are welcome at Rebel Practitioner LIVE.

We have a zero tolerance policy for racism, sexism, bigotry, hate, white supremacy or any other kind of tom foolery.

DAY 1:

How To Get Clear On Your Unique Gifts & Offer Them To The World

When you're clear on your unique gifts, you stand out from the crowd. Then, knowing how to make the leap and transform your unique gifts into a tangible offer that your ideal clients can't wait to purchase is what separates successful from unsuccessful practitioners. Today, we get clear on what makes you uniquely special and then how to share that with the world that results in a full practice, happy clients and a fulfilled YOU!
