- » ACE Scholarships processes your donation with the Montana Department of Revenue and secures your 100% state income tax credit.

WHAT ARE THE ADVANTAGES?

- » Donors can reduce or eliminate their Montana state tax liability by donating to ACE Scholarships.
- » A non-refundable, dollar-for-dollar state income tax credit is earned when a donation is made.
- » If your tax estimation is more than what you owe, you can carry your tax credit balance forward for future years.

WHO IS ELIGIBLE?

- » Students attending a Montana public school or entering kindergarten are eligible and remain eligible through grades K-12.

WHAT IS THE IMPACT?

- » Every year, ACE Scholarships helps thousands of at-risk students from working-class families attend quality nonpublic schools, regardless of faith.
- » ACE Scholarships students consistently attain higher graduation rates and ACT scores and matriculate to college and post-secondary education at a rate much higher than their peers.
- » ACE Scholarships also helps lift students out of poverty, stabilizes economically challenged communities, and saves taxpayers money.

- » ACE has a network of nearly 70 partner private schools in Montana. These schools are an important part of the state's education ecosystem, especially for families who want a greater focus on academic quality and schools that share their values.
- » By helping students attend ACE's partner schools, you are helping keep the Montana K-12 private education sector strong and allowing these schools to reach more kids each year.

Student & Family Testimonials

» Here's an example of ACE's mission in action:

"Logan is an amazing kid. The problem we have had is that he struggled in school. We felt stuck in the public education system. He was told he was a troublemaker, and we wanted to find a school where he would fit in. We toured Billings Christian School, and we knew this was the place. Our son was smiling while walking through the halls. We knew that he belonged here, so much so that we decided our 16-year-old daughter would also attend. We didn't know how we were going to afford tuition for two kids. We were recommended to apply for an ACE scholarship, and we received one. Logan doesn't fit in a box and should get the best education we can find. I believe no child should be left behind, isolated, or looked down on because they learn differently. Thank you from our family to yours for believing in opportunities for these amazing kids."

-Jen Marble, ACE mother to Logan

Every gift provides an opportunity for a student to learn more, achieve more, and begin writing his or her own success story.
