FEEDING DIRECTIONS: Feed FBN Mineral Cooked Molasses Tub free-choice to beef cattle on pasture or roughage rations. Make sure animals have adequate pasture or roughage available and are not starved for salt or minerals. Feed continuously. Recommended consumption is 0.33 to 0.50 pounds per head per day. Consumption of FBN Mineral Cooked Molasses Tub will vary according to the weight of the animal and the quality and amount of available forage. Management of the number and location of the tubs by the producer may be required to achieve target intakes. Increase the number of tubs and move tubs closer to water or loafing areas to increase intake. Decrease the number of tubs or move farther from water or loafing areas to decrease intake. Provide at least one tub for every 15 to 20 animals.
