

What Other Community Builders Have Said

"CMX has been the absolute best resource to connect with and learn from other community professionals."

- Suzi Nelson, Community Manager at DigitalMarketer

"My colleagues look to me as an expert in the field and I've got CMX to thank for that."

- Joel Connolly, Head of Community at Blackbird VC

"Within one year of taking the CMX course, we have been able to grow and monetize our community beyond our wildest dreams."

- Melissa Emler, Community and Marketing Leader at Modern Learners

Topics Covered Will Include

"Creating a Newsletter that Converts"

"Proving the ROI of Community"

"AI and Community Management: What You Need to Know Today"

"Building a Community from Scratch"

"Why Member Personas Matter"

And many, many more!

What You Get

Online Events

Meet community newsmakers, trendsetters, and the most cutting-edge experts in biweekly online events just for members like you.

Frameworks

Looking for proven roadmaps for your work? Look no further. We create and curate the very best tools you need.

Accountability

Meet experts, peers, mentors, mentees in a private environment, then work towards goals -- together.

Community

Even community pros need a community! We carefully curate and only invite those who are dedicated to improving themselves and their communities.

CMX PRO: The Mission & Vision

Discover what you and your community are truly capable of accomplishing. Whatever roadblocks you face today are surmountable -- with experts alongside you.

If you believe community has the power to change the world, we want you beside us. Our mission is to help you thrive.

Our vision is to create a world-class community of changemakers, and a comprehensive training and resource hub that connects you with the tools you need right when you need them.
