5.4 The PIN can be changed at any UK ATM. When selecting or changing the PIN, you must not select a PIN that may be easily guessed, such as a number that:

5.4.1 is easily associated with you, such as your telephone number or date of birth; or

5.4.2 is part of data imprinted on the Card; or

5.4.3 consists of the same digits or a sequence of running digits; or

5.4.4 is identical to a previously selected PIN.

5.5 There is a maximum of 10 cards permitted per Account.

6. USING THE CARD AND CARD EXPIRY

6.1 The Card can be used at any Merchant to make purchases in-store, via the internet or over the phone and can be used to obtain cash through ATMs (fees will not apply during the Alpha Phase, see paragraph 12). You can authorise a transaction on the Card at any Merchant by entering your PIN or other security code, if the Merchant does not accept chip and PIN authorisation, the Merchant may allow you to authorise the transaction by signature of the receipt. A transaction can also be authorised by tapping the Card against a Contactless enabled reader. Please be aware that you may not usually stop a transaction once it has been authorised as at that point it is deemed to be received by us. We may refuse to execute a transaction if the transaction is unlawful or fraudulent. We will treat the transactions as authorised and genuine if:

6.1.1 the Card PIN or other security code personal to you is used; or

6.1.2 the Card is used and you have authorised the transaction by signature of the receipt.

6.2 The Card is a prepaid card, which means that the Available Balance will be reduced by the full amount of each transaction and authorisation, plus any applicable taxes and charges, including additional ATM charges if any. You must not use the Card if the Full Deductible Amount exceeds the Available Balance.

6.3 Due to security safeguards, Merchants that accept the Card are required to seek authorisation from us for all of the transactions that are made by you. There are some circumstances where Merchants may require you to have an Available Balance greater than the value of the transaction you wish to make. You will only be charged for the actual and final value of the transaction you make. Merchants request this as they may need to access more funds than you initially planned to spend. For example:

6.3.1 hotels, rental cars, and

6.3.2 internet Merchants – certain internet Merchant sites will, on registration or at checkout stage, send a request for payment authorisation to verify if funds are available. This will temporarily impact the Available Balance. Also please bear in mind that many sites will not deduct payment until goods are dispatched so please be aware of this when checking the Available Balance to make sure sufficient funds are available to cover all purchases.

6.4 The Card cannot be used in situations where it is not possible to obtain online authorisation that you have sufficient balance for the transaction. For example but not limited to: transactions on trains, ships, and some inflight purchases.

6.5 The Card cannot be used at self service petrol pumps but it can be used to pay by taking it to the cashier.

6.6 The Card may not be used for any illegal purpose or in any manner prohibited by law, nor for gambling, for any adult entertainment or for Quasi Cash transactions.

6.7 We may ask you to surrender any Cards at any time for a valid reason in accordance with the provisions in paragraph 15 of this Agreement.

6.8 If a retailer agrees to give a refund for a purchase made using the Card, the funds will be added to the Available Balance of the Account when we receive the funds from the retailer.

6.9 The Card can be used to make transactions in a currency other than pounds sterling ("foreign currency transaction"), the amount deducted from your Account will be converted to pounds sterling on the day we receive details of that foreign currency transaction. We will use a rate set by Mastercard, which will be available on each Working Day and changes in the exchange rate shall take effect immediately. You can find details of how to find the Mastercard rate on the Mettle FAQ. Exchange rates can fluctuate and they may change between the time a transaction is made and the time it is deducted from your Available Balance. You can find out the exchange rate applied to a transaction in your transaction history. We will not charge an additional foreign transaction fee for any foreign currency transactions during the Alpha Phase.

6.10 The expiry date of the Card is printed on the front of the Card. We may send you a replacement Card if requested (fees will not apply during the Alpha Phase, see paragraph 12).

6.11 Any Available Balance remaining on the Account at Card expiry will remain yours for a period of six years from the expiry date. Within this period, you may at any time transfer any Available Balance on the Account to a UK bank account via Faster Payment (subject to Account Limits). You will not have access to your Account and we will not return any funds remaining on the Account after six years from Card expiry and this Agreement will terminate.

7.7 If a direct debit on the Account specifies that a payment is to take place on a specified day or on the last day of a certain period, then we will treat the payment instruction as being received on the day specified.

7.8 Any direct debit payment is usually taken from the Account at the beginning of the Working Day it is due.

7.9 It is your responsibility of to check there is sufficient Available Balance before any payment is due. If the Account does not have sufficient Available Balance any direct debit payment may be rejected.

To cancel future dated payments (where permitted) you must tell us at least one business day before the payment is due to be made.

AUTHORISATION FOR PAYMENTS AND STOPPING PAYMENTS

7.12 It is your responsibility to ensure correct recipient account details and payment amount is provided when making any payment or setting up a payee. You are responsible if you give us incorrect instructions or mistakenly instruct us to make the same payment more than once, but we will try to help you get the money back. We may not always be able to do this, but we will do all we can. We will not charge you a fee for tracing, recalling or cancelling a payment during the Alpha Phase. If we cannot get the money back, you can request the relevant information we have about the transaction to help you reclaim the money. We will provide this information on receiving a written request from you, unless the law prevents us from doing so.

7.13 You can authorise us to make a payment from your Account via the Mobile Application by setting up electronic payments and giving us instructions via a third party, such as through a direct debit scheme or a Payment Initiation Service Provider. We will treat a payment as authorised by you if:

7.15.2 you can check the Account to ensure there was enough Available Balance and/or that correct recipient details were provided at the point when the transaction was authorised or payee set up, or you can ask us why we have not executed a payment by contacting Customer Services. Unless the law prevents us, we will explain why and we will also tell you what you can do to correct any errors in the payment instruction.

7.15.3 it may be because we have concerns under paragraph 7.14.6. In this event, Digi Ventures will contact you using the contact details provided by you or by leaving a message on the Mobile Application as soon as possible or in advance if possible to explain why we have refused to process the payment, unless we are prohibited by the law or we have security reasons to do so.

7.16 You may not be able to stop any payments once it has been authorised by you or a Payment Initiation Service Provider. However you may be able to stop a direct debit payment provided that:

7.16.1 the direct debit is cancelled one Working Day before the Account is due to be debited; and

9.3 Once the Available Balance is redeemed and the Account is closed, your Agreement will terminate. However, if paragraph 9.5 applies to your Account then your Account will remain active and your Agreement will continue to apply to you until there is no money outstanding on your Account.

9.4 All direct debit transactions that were set up on the Account will be rejected once your Account is closed.

9.5 If we find any additional withdrawals, fees or charges have been incurred on your Account following the processing of the redemption request, we'll send an itemised invoice to you and we will require you to refund us immediately after

receiving the invoice. Should you not repay this amount immediately after receiving an invoice from us we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.

14. VARIATION

14.1 We may vary this Agreement, by providing you with reasonable notice by e-mail (provided you have supplied us with an up-to-date e-mail address) and will ensure the most recent version is always available on the Mobile Application.

14.2 If you do not agree with the changes to the Agreement, you may at any time during the Alpha Phase terminate your Agreement and close your Account in accordance with paragraph 9.2 at that time without a charge. However, in the event you do not cancel during this period then you will be deemed to have accepted them and the changes will apply to you.

14.3 There are some situations where we can make changes to this Agreement and we do not have to tell you in advance.

These are changes that are favourable to you. We do not have to tell you personally in advance when any of the following happen:

14.3.1 If the change is in your favour, if we reduce your charges, if we make this Agreement more favourable to you, or if we introduce a new service or feature which is more favourable to you.

14.3.2 We make a change because a change in law or regulation says that we have to by a particular date, and there isn't time to give you notice.

14.4 If any part of this Agreement is inconsistent with any regulatory requirements then we will not rely on that part but treat it as if it did actually reflect the relevant regulatory requirement. If we need to make operational changes before we can fully comply with the new regulatory requirement, we will make those changes as soon as reasonably practical. We will update our Agreement to reflect the new regulatory requirements when they are next reprinted.
