

# 2022 Booking periods

All creative must be approved for display by oOh! prior to print (printed material) and prior to scheduling (digital).

Some sites require third party approval which can take up to 5 business days

Material instructions are due to oOh! 2 weeks prior to campaign commencement for standard digital scheduling. Complex scheduling instructions to be supplied 2 weeks prior to campaign commencement

All material is due to installers (printed) 1 week prior to campaign commencement.

Late delivery of artwork and/or material will result in late installation and may result in late fees.

Late upload of digital material may result in missed media time.
