

# WARD 6 - FALL 2024 NEWSLETTER

## Omeme to Bobcaygeon Enbridge Community Gas Expansion

In August 2024 the \$150 Million Bobcaygeon Community Natural Gas Expansion Project had its official groundbreaking. This will give residents and businesses the option of Natural Gas from Omeme to Bobcaygeon.

In April, I participated in the Bill 165 Standing Committee on the Interior Hearings at Queens Park to support this important infrastructure project.

Construction has commenced along Centreline and Pigeon Lake Road.

Natural gas pipeline installation on Pigeon Lake Road.

## International Plowing Match and Rural Expo

The 2024 International Plowing Match and Rural Expo is now over and it was a very successful event!

Over 50,000 people from across North America and the world came to Kawartha Lakes to showcase our agricultural heritage and innovation. Well done to everyone involved in bringing this marvellous event to our community.

Nicholas and Ron Ashmore

### Improving our Infrastructure

2024 saw another record year of improvements and maintenance upgrades on roads and bridges. These include rural resurfacing, lifecycle extension and patch smearing. Lakeview Estates has been transformed with a full resurfacing and culvert replacement.

Other rural resurfacing has been done in many locations such as Downeyville, Charlore Park, Snug Harbour, Kenhill Beach Rd, Cedar Glen Road and Clifford Dr to name a few. Gravel shouldering was also done along Highway 36 and the Omeme Downtown Reconstruction Project is well on the way to completion.

*Downeyville reconstruction and new curbs in front of Hall and Church*

*New Gravel Shouldering of Highway 36*

*Kenhill Beach Road Drainage Project*

### Working hard in Council and out in Ward 6 supporting our communities.

*Official opening of newly renovated and painted Omeme Legion September 2024*

*Official opening of Scott Young Public School expansion September 2024*

### Customer Service

Listening to your needs and logging case files to complete work requests on behalf of you the hard-working constituents of Ward 6 & Kawartha Lakes. Let me know if you have any issues that I can assist you with.

### STAY IN TOUCH

*"I continue to work for you the hard-working people I represent."*
