HARNESSING THE POWER OF COURAGE

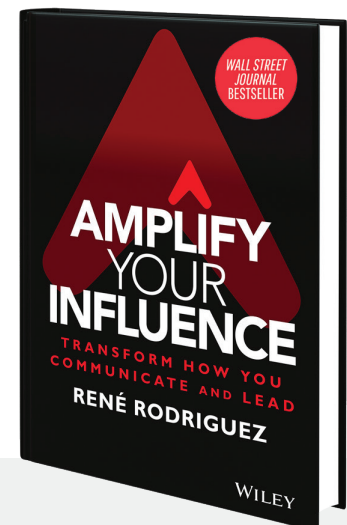

KEYNOTE TOPIC - up to 90 min

In life, there are “givers” (above the line) and “takers” (below the line). Some people, when they enter a room, can either light it up or suck the energy dry. In this keynote, René introduces the Courage Scale™ as a way to not only understand how we are perceived in this world but also how to invite others to “live above the line”. René shares a simple model anyone can use to reframe adversity and harness the power of courage during difficult times. René connects the Courage Scale™ to fundamental and applicable neuroscience in a way that empowers anyone to face adversity with courage and grace.

THE RESULT

- An applicable understanding of the neuroscience of leadership
- Specific tools to take back to the workplace and home
- Proven methodologies that inspire deep engagement
- Simple ways to create trust...fast
