HURRICANE FLORENCE EMBARGO UPDATE – September 20, 2018

Effective immediately:

- *The embargo for the majority of the FAY territory has been lifted; we will continue to embargo 6 FAY zip codes due to flooding.*
- There is still a full embargo for all shippers, to the following:
 - **All points** served by: KIN and WIL
 - Please see attachment for specific zip codes and points
- We will continue to monitor the recovery of Hurricane Florence and flooding in our service territory.
- We do not take the decision to embargo lightly and will give thoughtful consideration to each zip code when lifting the embargo as well.

We've been successful with our recovery efforts thanks to the Belief, Alignment and Teamwork of all of our associates and you our customer! **A unified team is a competitive weapon!!**
