### HURRICANE FLORENCE EMBARGO UPDATE – September 24, 2018 – (No change to embargo communicated on 9/21/18)

#### Effective immediately:

- There is still a full embargo for all shippers, to the following:
  - **All points** served by: KIN and WIL
    - We are running a limited operation in Kinston; however there is still a **full embargo** for all freight destined to Kinston as of today.
  - Please see attachment for specific zip codes and points
- We will continue to monitor the recovery of Hurricane Florence and flooding in our service territory.
- We do not take the decision to embargo lightly and will give thoughtful consideration to each zip code when lifting the embargo as well.

We've been successful with our recovery efforts thanks to the Belief, Alignment and Teamwork of all of our associates & customers! **A unified team is a competitive weapon!!**
