Service Bulletin from Tax Airfreight, Inc.

SERVICE BULLETIN

February 7, 2019

To our Valued Customers,

This past week has been very difficult navigating our challenging weather, while at the same keeping our drivers safe. Our goal is to provide you, our valued customers, the service you expect. Due to these weather circumstances, many shipments have not been picked up or delivered as planned.

We sincerely appreciate your understanding and patience in this matter. Please be assured we are working diligently around the clock to eliminate this backlog and get your shipments delivered.

If you have any questions, please contact your Business Development Managers, local terminal, or Customer Experience Team Member at 800-242-6565.

We appreciate your business!
