Dear Erica,

## **Weather Update - Oregon**

As of 7:00 this morning, about a 90 mile stretch of Interstate 5 in Central/Southern Oregon has been closed with no ETA on re-opening. This will impact many shipments moving within our system. If you have questions about a particular shipment, please feel free to contact our customer service teams or your local Logistics Specialist. We will continue to provide updates as new information becomes available.

Thank you for your continued patience and understanding...spring is coming.
