FedEx Express National Service Disruption

Wednesday, November 27, 2019

FedEx Express experienced substantial disruptions at the Memphis hub last night due to thunderstorms, gusty winds and wind shear. Potential delays are possible for package deliveries across the U.S. with a delivery commitment of November 27, 2019. FedEx is committed to provide service to the best of our ability. Please continue to check fedex.com for updates.

Continue to check the [status](#) of your shipments on fedex.com or go to fedex.com for updates to [FedEx Service Alerts](#).

Operational impacts to other FedEx operating companies may vary due to local weather conditions.

Consistent with the provisions of the [FedEx Service Guide](#), FedEx Express money-back guarantee is suspended for U.S. packages and shipments inbound into the U.S. from international locations with a delivery commitment of November 27, 2019.
