Subject: PNW Weather Delays

Dear Erica,

PNW Weather Delays

Due to snowfall and hazardous conditions, many Interstates throughout the Pacific Northwest are closed, or were closed the majority of yesterday evening and into this morning. This has caused some shipments in and out of the PNW to be delayed.

We appreciate your patience as we work through these conditions. For specific information please contact Customer Service or check with your local Logistics Specialist.

Thank you,

Eric Vander Pol
Director of Business Development
