Dear Customer,

We hope you're keeping safe and well.

We wanted to inform you that despite the shutdowns and restrictions that are in place around the world, we are currently still operating our Road, Ocean and Rail services at near normal levels.

There are restrictions in some countries that are of course causing delays, but supply chains continue to operate. If your customers or suppliers are open, we are here to help.

If you have shipments to move, please speak to your local Davies Turner contact for more specific details.

Alternatively, please call: **0330 030 1870** to be connected to your nearest Davies Turner office.

The UK's largest independent Freight & Logistics provider. Services by Road, Sea and Air supported by Logistics facilities throughout the UK. Founded in 1870.
