COVID-19: Delivery Signature Update

We want to do our part to help prevent the spread of COVID-19 in our communities.

That's why effective immediately, we won't require you to physically sign for most deliveries made in the U.S. It's just another way we're focused on Safety Above All - now, and always.

Visit our COVID-19 [customer site](#) for more details and to learn more about how FedEx is responding as this situation evolves.
