India-Coronavirus

Further to the lockdown in India that started on 23 March 2020, the Government of India on 31 May, announced relaxations beginning 8 June except in areas designated as containment zones.

While there are still restrictions for businesses to operate (reduced number of people in office & factories), the transport of goods is allowed for all commodities. Our pickup and delivery services will be operational in postal codes across cities in India in line with this advisory and limited intra-country linehaul options.

Customers in containment zones may experience delays and can chose to self-drop & self-collect shipments at the nearest UPS drop-off locations.
