India-Cyclone Nisarga

Operations are back to normal today in the areas below following Cyclone Nisarga:

City of Mumbai and neighboring areas (SLIC 0921, postal code range 400001-400105).

Disruption Cause: **Disruptions caused by national or local events**

Service Disruption Details: "Further to the lockdown in India that started on the 23-March, the Government of India on 31-May, announced relaxations beginning 8-June except in areas designated as containment zones. While there are still restrictions for businesses to operate (reduced number of people in office & factories); the transport of goods is allowed for all commodities. Our pickup and delivery services will be operational in postal codes across cities in India in line with this advisory and limited intra-country linehaul options. Customers in containment zones may experience delays and can choose to self-drop & self-collect shipments at the nearest UPS drop-off locations
