Subject: FW: Weather Update 02.02.21

Good morning

Here are our service centers impacted with the winter weather today.

Weather Report	
02.02.21	
NORTH CAROLINA	
ASH	Limited Operations due to potential snow and customer closures. Unable to service Spruce Pine and Bryson City. Please contact the service center before making any service commitments.
HIC	Limited Operations due to road conditions and customer closures. Unable to service Boone, Banner Elk, Blowing Rock, Jefferson, West Jefferson. Please contact the service center before making any service commitments.
VIRGINIA	
FDK	Limited Operations due to Winter Storm Orlena causing road and customer closures. Delayed start but will attempt to serve entire territory. Please contact the service center before making any service commitments.
RIC	Fully Operational
ROA	Fully Operational
WYB	Limited Operations due to Winter Storm Orlena causing hazardous road conditions on back roads, parking lots and customer closures. Please contact the service center before making any service commitments.

Any questions please let me know.
