

# montessori together community

age: 6 to 24 months

“The education of even a small child, therefore, does not aim at preparing him for school, but for life.” – Maria Montessori

Montessori Together playgroup helps parents establish a strong foundation in understanding essential Montessori principles and practices and help them prepare for a lifetime of connection with their child. Your child will move freely in a calm and beautiful classroom, developing confidence while learning to self-feed, crawl, and walk.

## each class includes:

- dual language in mandarin and english
- prepared environment to allow freedom within limits
- sensory activities
- music and movement
- snack time
- independent work period
- gross motor in spacious playground

## your child will:

- enhance healthy early brain development through social, emotional, physical, language and cognitive skills
- opportunities for children to explore, navigate, develop, reason and problem solve
- increase skills and confidence

## parents will:

- learn about child development
- bond with child and build relationships with other parents and children
- access parenting information, workshops, resources, and support
