little explorers summer camp

Starting July 4, 2022

6 months to 6 years old

Designed to entice even the smallest of explorers, our Little Explorers Camp explores different land and water habitats through a unique blend of indoor and outdoor sessions. Children will be busy with a rich range of Montessori-inspired activities that help develop their minds, challenge their bodies, and delight their souls. Each week, we'll journey to new places, offering a glimpse of the diverse environments that make our world sparkle!

activities:

-  daily nature challenge
-  outdoor scavenger hunt
-  weekly themed activities
-  fun arts and crafts
-  你好 mandarin time
-  welcome kit

schedule.

Week 1 Grasslands

We will explore the many wild animals that can be found in grasslands, ranging from the African elephant to various species of prairie dogs.

Week 2 Forest

This week we will take a close look at how trees grow and discover the wide array of animals that make the forest their home.

Week 3 Mangrove

Mangroves contain plants with dense roots to help bind and build soils. We will explore the importance of roots and the ways we benefit from them.

Week 4 Ocean

We will examine the abundance of life that lives under the water, exploring the 1 million+ species of plants and animals discovered in the oceans.

Week 5 Desert

Taking a sensory journey through the desert, we will explore various textures and temperatures that affect life in this region.
