montessori together.

Our Montessori Together winter camp focuses on winter celebrations. Over the three weeks, children will learn about Winter Solstice, Christmas Day and New Year's Eve, and partake in interactive activities relating to each celebration. Each week, they'll be introduced to language and art, along with physical and sensory activities designed to develop their language, cognitive, social and motor skills.

weekly focus

Week 1 - Winter Solstice

13 - 16 December

Children will explore Winter Solstice, a day with the fewest hours of daylight, and marks the beginning of winter.

Week 2 - Christmas Day

20 - 23 December

We'll spend the week celebrating Christmas. Children will prepare some home-made presents to gift to their relatives on 25 December.

Week 3 - New Years Eve

3 - 6 January

The first of January marks the start of a new year, a time to reset. Children will spend the week ringing in the new year and celebrating the start of 2023.

the little laboratory.

The Little Laboratory at Guidepost Family Club connects children to their inner scientist by placing them at the center of a unique learning experience as they engage in exhilarating investigations to uncover the world around them. Through a range of stimulating, hands-on, and sensory-rich activities designed to teach core scientific principles, even the smallest child will be encouraged to DO something – observe, ask questions, touch, smell, experiment.

Week 1 - Mysterious Mixtures

13 - 16 December

We will explore how everyday kitchen ingredients can be used to begin inquiry into concepts such as dissolving, mixtures, and separating.

Week 2 - Sensory Science

20 - 23 December

We will explore how individual senses – sight, smell, touch, taste and hearing - can be used to measure, analyze and interpret the world around us.

Week 3 - Reflections & Rainbows

3 - 6 January

We will engage children in light and colour play using easy to access materials.

creative arts.

Our Creative Arts camp is a transformative program designed to engage young children in process-focused art experiences, such as storytelling, painting, music and movement. Over the holidays, children will uncover the life and works of three renowned painters – Andy Warhol, Van Gogh and Wassily Kandinsky. Each week, they'll be introduced to the history of the artist and be exposed to new visual and performing art techniques, and to aid in culminating learners who are confident in themselves and their abilities, children will deliver an open class presentation to parents and guardians at the end of each week.

terms & conditions.

- Admissions: Enrollment spots are limited. Enrollment selections will be made based on the sequence of applications received, as well as priority for existing enrolled families. After submitting this form and included payment, you'll receive an email confirming your child's enrollment in this program.
- Class Schedule and Age Groups: Guidepost reserves the right to change and/or amend the class schedule and age groups as deemed necessary.
- Inclement Weather Policy: In the event of a Black Rainstorm Warning or Typhoon 8 signal classes will be cancelled.
- COVID-19 Restrictions: In the event that the Hong Kong Government implements a lockdown or other restrictions that prevent in-person activities, those activities will be replaced with online virtual offerings. Guidepost will communicate any changes in scheduling as a result of government announcements as quickly as possible.
- No Tuition Refunds: Guidepost has a strict no refund policy. Tuition and/or classes cannot be postponed in time or transferred towards another student.
- No Make-up Classes: Given the limited time during the winter holidays, we are not able to offer make-up classes in any circumstance.
- Accompanied Classes: Only one parent is permitted inside the classroom. Absolutely no swapping can take place throughout the class.
- Non-Discrimination Policy: Guidepost does not discriminate on the basis of race, sex, national origin, disability, religion, or any other protected status. We make our best effort to accommodate the needs of every child who wishes to attend Guidepost. In the event that your child does have a disability or suspected disability, we will do a fully individualized assessment of your child in order to determine whether Guidepost possesses the necessary expertise and resources to provide for the best interests of your child, or, alternatively, whether the child may pose a health or safety threat to him/herself or others in our environment, or require a fundamental alteration of our program.
