Appendix

1. Payment & Shipping | Multiple payment methods, for you to target local and overseas customers. Ask us for the lowest rates.

2. Social media integration | Integrate your store with your facebook page and Instagram business account, to sell directly from these platforms.

3. Basic Ads Tracking and Analytics Tools | Includes Google AdWords Tracking, Google Analytics tracking and Facebook Pixel tracking.

4. Facebook marketing and customer engagement | Facebook, Whatsapp and Line messenger on your store: to chat with customers; Facebook comments plugin (product page); Facebook Shop Now tab; Order status notification via FB message; Facebook Ads Extension; Facebook Store

5. Discounts & Vouchers | Add-on items (purchase-with-purchase); Free gifts; Bundle pricing; Earn store credits; Use promo code; "Refer-a-friend" affiliate campaign, etc.

6. Express checkout | One-click checkout can be used for influencer marketing, groupbuy, event etc.; Hidden product lets you target specific group of audience.

7. Shoplytics | Understand your customers' behaviours, identify products with highest views, etc.

8. Basic Membership Program | 1-tier member; offers member-only promo, etc.

9. 3-Tier Membership Program | Customer grouping (i.e. silver, gold, VIP); Earn store credits and birthday rewards; Display member prices; Form builder for feedback or event registration etc.

10. Facebook marketing: In Basic Plan, you can integrate your website into Facebook Shop. However, in Facebook Shop, you can only showcase up to 10 products.

11. Customer engagement: In Basic Plan, you cannot integrate Facebook messenger onto your website.

12. Discounts and Vouchers: In Basic Plan, you can only run 3 campaigns at a time.

Terms and conditions apply. | All prices displayed are subject to 6% SST.
