We are PIVOT HEALTH

Pivot Health is led by insurance industry veterans who have helped brokers produce more than \$1 billion in premium with high quality benefit plans for their customers. We offer plans through “A” rated insurance carriers utilizing our simplified enrollment process and competitive compensation packages.

Our plans are designed to help health insurance marketers “pivot” through changes in the individual health market while offering plans that align with the budgets of most consumers.

Reasons You Should Work With Pivot Health

- ✓ Competitive advantages within the marketplace
