

How to login inTime.io for Dynamics CRM

When opening the app first time, it will automatically open 'Settings' window, otherwise you can click on this button:

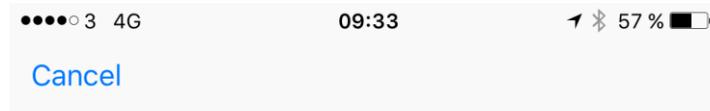

To connect to Dynamics CRM, you need to type URL of your system, for an example:

When you have typed the URL, click on this button:

It will go back to main screen and in couple of seconds it will ask you for username and password for Dynamics CRM, the screen will look like this:

inTime for Dynamics CRM 2016

Work or school, or personal Microsoft account
