We've got your questions covered

Lack of skilled workers

How do I find good personnel nowadays?

Digitalization

How do I ensure that new personnel will continue to lead my company to future success?

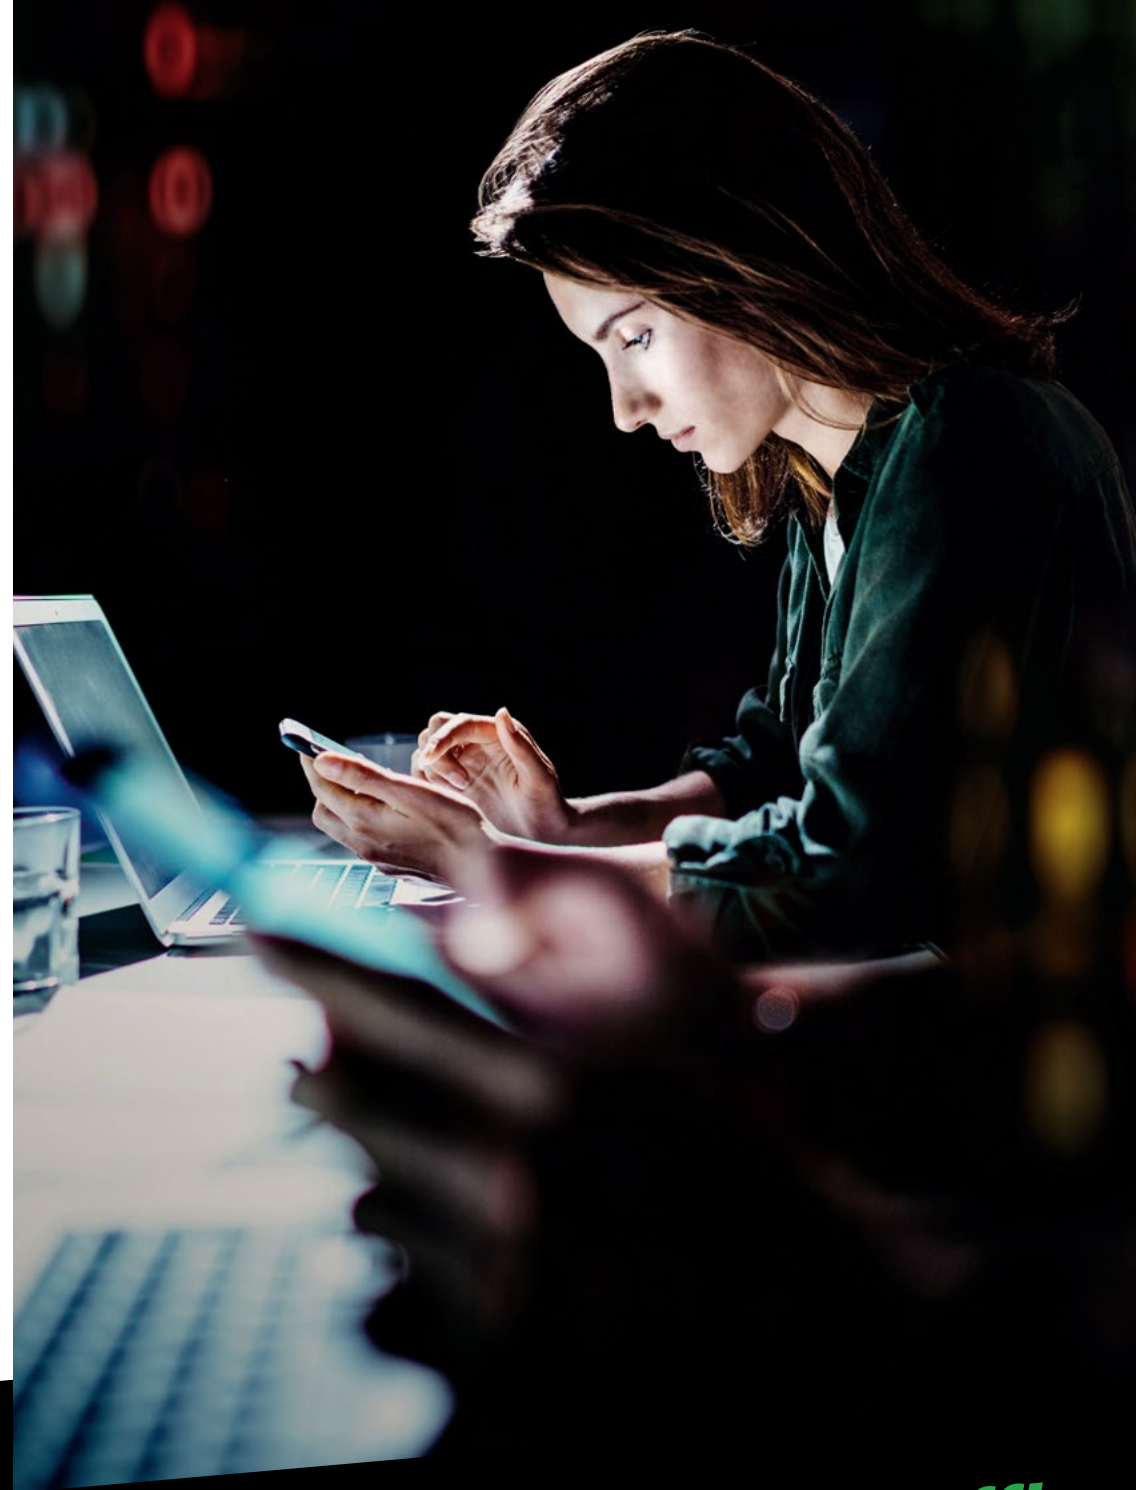

Change of Demographics

How do I find suitable junior staff?

New Work

How do I keep personnel that I laboriously found?

Close partnership – real team play

truffls

Our Answer: Digital Superstars

Lack of skilled workers

Our candidates are in demand and therefore currently employed - but can imagine a change.

Digitalization

Our candidates are Digital Natives – fit for the demands of a modern workplace and ready to ensure your company is up to par for the future.

Change of Demographics

Our candidates are (Young) Professionals – well-trained experts with several years of working experience.

New Work

New Work starts with New Recruiting. truffls is New Recruiting.

Why do these candidates use only truffls?

Mobile Lifestyle

Our candidates take the truffls app everywhere because it's on their smartphone, giving them the tools to apply digitally – anywhere, anytime.

Finding Instead of Searching

Our matching algorithm suggests suitable jobs for our candidates.

Easy to Handle

Our candidates show their interest in a job with a swipe – fast, easy, modern.

Direct Communication

Candidates can take care of their entire application process via the truffls job app.
