Smarty Ants®

GETTING STARTED

WHAT YOU NEED TO KNOW

1 Both Smarty Ants (English and Español) are supported on devices running Windows 7 or higher, MacOS 10.10 or higher, and the latest Chrome OS (Chromebooks). Clever SSO is supported on those devices.

2 Currently, we only support Clever SSO with Smarty Ants English on iPads (iOS 9.3.5 or higher). This works with the existing Smarty Ants English iOS mobile apps (PreK-1, and 2nd grade).

3 In addition, we do not support Clever SSO with Smarty Ants English and Español on Android tablets, and Kindle Fires.
