

Inspired by and crafted for veterinarians

VETTOOLS™ Messaging

\$99 VIN Member
/Month (per practice)

\$109 Non-VIN Member
/Month (per practice)

Your budget-friendly, feature-rich text messaging solution.

VetTools Messaging has reimagined text messaging for veterinary professionals. Integration with your practice management software offers you more efficient and engaging text messaging, seamlessly incorporating vital details like your appointment schedule, patient records, and client contact info. Texting from your **landline** means instant recognition and the ease of only one number for your clients to use!
