Let's pump it - classic cardio fitness

Classic endurance sports such as jogging, cycling or swimming have been proven to strengthen the heart and blood circulation. Plus they accelerate the breakdown of fat and activate the body's immune defences. Fitness First – our new partner with ten selected studios on board – focuses on effective cardiovascular workouts with “Cardio-Fitness”. Members of Urban Sports Club can now train with Fitness First at selected locations in Berlin, Frankfurt, Düsseldorf, Münster, Rostock and Mannheim. At [Fitness First Münster-Aaseestadt](#) athletes can try classes such as "Athletic Fight" or set their muscles on fire with "Hot Iron Cross" at [Fitness First Düsseldorf – Schadow Arkaden](#). And if that's not enough, get your circulation going with "Step Intense" at [Fitness First Frankfurt-Sachsenhausen](#).

Fans of functional training get their money's worth at [Phoenix Human Prime](#) in Düsseldorf, where their motivating, small group workouts activate the entire body.

Let's freeze - Cryotherapy

Off to the cold chamber! Courageous people of Cologne can visit [Körperkälte](#) and freeze in a cold chamber at -110 degrees Celsius for 2 - 3 minutes. Cryotherapy can also be used to support the treatment of depression. In Berlin, members can uncover the numerous advantages of the
