Press release

Urban Sports Club membership: A Christmas gift that benefits everyone

Berlin, 11.11.2021 - As the year draws to a close, the Christmas season is a welcome opportunity for people to switch off, recharge their batteries and soothe their minds and souls. If you want to fulfil this wish for your loved ones, then give them a [digital voucher](#) from Urban Sports Club. The gift-giver will also benefit from their loved one's relaxed and healthy mental and physical balance.

URBAN SPORTS CLUB

Year in, year out, we face the big question: what do I give for Christmas? Finding a gift with meaning that's good for well-being is difficult, but not impossible. Urban Sports Club membership has something for everyone. Now members can check-in at partner studios online and via livestream as well as on-site, which means members can train flexibly and to their own individualised schedule. Try dozens of activities including yoga, cross-training, Pilates, bouldering and martial arts at over 10,000 partner locations in six European countries.

We know that spending time with friends and family isn't always stress-free, but Urban Sports Club has an extensive meditation and wellness offering in addition to a diverse range of sports. True to the motto "You get what you give," the recipient can benefit from the diverse offer, and the givers can enjoy energised and good-humored loved ones over the festive period.

URBAN SPORTS CLUB

Buy the digital Weihnachts-Geschenkgutschein under <https://urban-sports-club.vouchercart.com/app/> on-line. Then choose the flexible, individualised package for your friend or family member to fit any gift budget. Simply select M, L or XL membership and the number of months they can train, then write a note and print it out along with the voucher.

Since there's also a "Me" in "Merry Christmas", why not give yourself a voucher too? This way, you can enjoy fitness and relaxation with your loved ones and get even more out of your training experience.

About Urban Sports Club

Urban Sports Club offers a flexible sports and wellness membership. The goal is to encourage people to lead healthier and more active lifestyles through the largest and most diverse offering. From fitness, yoga, swimming and climbing to team sports and wellness, members can choose their own personalized workout plan from more than 50 activities and discover sports they are passionate about. Urban Sports Club members can check in for sports via app in six countries in Europe (Germany, France, Italy, Spain, Belgium and Portugal). A group of companies with OneFit in the Netherlands, Urban Sports Club's network has more than 12,000 partner locations. The offer for private and corporate customers includes training in the studio, outdoors, online courses via livestream and on-demand courses. In total, employees from over 40 different nations are employed at the European locations.
