

Privacy Policy - SwissBorg ICO Competition

The security and protection of your personal data is one of the top priorities of SwissBorg. Any personal data and financial information (the "Data") that you send when using this website will be treated confidentially. This Privacy Policy (the "Policy") aims at protecting the privacy and the fundamental rights of the USers when their personal data is processed by SwissBorg.

Processing and Use of Data

Generally, the main reason SwissBorg collects personal data is to enable you to enjoy and easily navigate the Website (<https://competition.swissborg.com/>), to transfer your tokens to your Ethereum address, to keep a detailed list of the Users who participate to the ICO Competition, to keep you updated about the result of the ICO Competition and/or any advances of the ICO Competition. If you contact SwissBorg via email to the contacts set out on the Website, SwissBorg will keep a record of that correspondence.

Users understand and agree that their transactional information will be made public on the Ethereum Blockchain and, as a result, disclosed to anyone.

SwissBorg will use User's personal data to provide them with a better service, and in particular to: communicate with them; provide them with information related to the ICO Competition answer their questions and comments; send them updates related to the ICO Competition; prevent potentially prohibited or illegal activities; conduct research and compile statistics on usage patterns; process transactions; manage accounts; enforce the Terms of Use available at the following address: <https://swissborg.com/files/swissborg-website-terms-conditions.pdf>; comply with any of our legal or regulatory requirements; as otherwise described to the Users at the point of collection.

Our Website may use cookie technology to estimate aggregate visitor numbers and aggregate data transfer volume, to identify pages that attract particular interest, and to make general improvements. The cookie technology uniquely identifies your browser to the server and allow SwissBorg to store information on the server to help make the Web experience better for you and to conduct Website analysis and performance review. Most Web browsers are set up to accept cookies, although you can reset your browser to refuse all cookies or to indicate when a cookie is being sent. Note, however, that some portions of the Website may not work properly if you refuse cookies.

Data Security

SwissBorg applies high industry standards and will always apply adequate technical and organisational measures, in accordance with applicable laws, to ensure that your data is kept secure. In the event of a personal data breach, SwissBorg shall without undue delay, and where feasible, not later than 72 hours after having become aware of it, notify the breach to the competent supervisory authority, unless said breach is unlikely to result in a risk to your rights and freedoms. If the breach is likely to result in a high risk to your rights and freedoms, SwissBorg shall communicate this breach to you, if it feasible, without undue delay.

Disclosure of Information

By entering the ICO Competition, and unless you specifically instruct SwissBorg not to do so, you authorise SwissBorg to disclose all necessary information related to your participation in the ICO Competition.

Links

The Website may contain links which direct you to third party sites. The Company rejects any liability relating to the privacy policy in force on said third party sites, the collection and use of your Personal data by the latter and relating to the contents of said sites (whether the links are hypertext links or deep-links).

Furthermore, the Data subject acknowledge and agree that using our Website could imply to download others applications such as, for example, Metamask. Under no circumstances the Company shall be liable for the utilization of these others applications, especially regarding to the Data protection rules.

SwissBorg Community

By registering to the ICO Competition, you become part of SwissBorg's Community. Therefore, by registering, you confirm that you are a soliciting Member, even though you have been invited by SwissBorg as the organiser of the event. From the moment of the first connection to the ICO Competition platform, you accept to be contacted by the Cyborg Advisors registered as such on the Website. Any connection you make on the platform shall be made under you own exclusive and full responsibility and you fully discharge SwissBorg of any liability therewith.

As a Member of SwissBorg's Community, you may interact with persons, natural or legal, potentially located in different jurisdiction. Those persons may be restricted by applicable laws and regulations to market, or to offer certain services and products. You understand and agree that attendees may therefore refuse to make contact, market or offer services to you, based on their own assessment of their compliance with crossborder laws and regulations applicable to them.

You acknowledge that SwissBorg cannot and does not assess whether any contact on the website may occur in violation of applicable laws and regulations applicable to you or to other Community Members. Furthermore, SwissBorg will not monitor contacts you may have with other Members. Therefore, you agree and accept that SwissBorg has not obligation to intervene in or interrupt such contacts. Notwithstanding, SwissBorg will not tolerate any actions that goes contrary to applicable laws and regulations and retains the right to take any appropriate action, including the immediate termination of your access to the SwissBorg Community, and the revocation of access privileges without prior notice and without compensation.
