

# ICO Competition:

## Cyborg Analyst

### About

We will be organising biannual ICO Competitions with the aim of incubating promising ICO projects, and assembling best Cyborg Analysts and SwissBorg community enthusiasts. Our goal is to create an ecosystem that is fair, where we all can thrive and help the overall growth of the blockchain ecosystem.

To boost the popularity of the DAOs, as well as to help determine the winner of the ICO Competition, Cyborg Analysts (including you), will be carefully chosen by SwissBorg to give an objective and unbiased analysis of the ICO projects.

SwissBorg would like to invite you to be a Cyborg Analyst for our ICO Competition!

### Benefits

1. Earn CHSB via the rating of your investment analysis.
2. Get priority access to pre/private sales of emerging ICO projects.
3. Grow your credibility and reputation with our analysis ratings system.
4. Be part of the SwissBorg community & forge new connections.

### Process

---

<b>1</b>	Deposit and Stake CHSB	<b>Cyborg Advisor Gas</b>  10,000 CHSB = 1 rating per competition 50,000 CHSB = 6 ratings per competition 200,000 CHSB = unlimited ratings per competition
<b>2</b>	Rate & Analyse DAOs	
<b>3</b>	Get Rewards	

#### Please note:

Cyborg analysts will first be required to deposit CHSB to our account for us to stake throughout the competition, in order to obtain the right to "rate" the different DAOs (i.e. the Cyborg Advisor Gas). The deposited CHSB will be returned once the ICO Competition is concluded. The number of ICO projects that you will be able to rate and analyze will depend solely on the amount of CHSB that you currently are staking. Get rewarded in CHSB for your involvement and participation.
