

TOSHIBA

OUR COMPANY

AT-A-GLANCE FACT SHEET

At Toshiba Global Commerce Solutions, our passion is retail. That means we are 100% devoted to empowering YOU to evolve with generations of consumers, while effectively adapting to ever-changing conditions.

We understand the importance of supporting the communities you serve and how it impacts the people who rely on you every day. Our commitment to you is to enable you to remain committed to your customers to ensure their well-being.

OUR PURPOSE

Our purpose is to empower retail to thrive and prosper.

OUR VISION

We envision a world of resilient retailers that create joyful experiences and drive vibrant economies.

OUR MISSION

We empower retailers to better serve their communities by enabling them to evolve with generations of consumers and rapidly adapt to whatever the future holds.

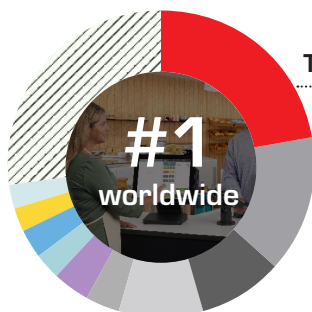

OUR VALUES

Through our commitment to respect, empowerment, teamwork, adaptability, integrity, and leadership, Toshiba and our partners drive a dynamic ecosystem of innovative and agile solutions that enable retailers to improve business performance, increase operational control, scale fast, and delight consumers with rewarding experiences.
