WHAT IS MBAT?

The MBA Tournament (MBAT) is the largest inter-MBA sports tournament, with about 20 schools and 1500+ participants, hosted by HEC Paris and is currently in its 30th year. The MBAT brings together the leading international business schools for three adrenalin-filled days of pure competition in the heart of France. By day, the school campus mimics the plains of Olympia, transcending into a vast event for networking, competing and partying by night. This year we are celebrating the 30th anniversary of MBAT and as a tribute to these 30 glorious years, we will take you on a journey back through the eras. The 3 days will create different touch points to relive the past 3 decades.
