

WHO'S THAT PRESIDENT?

Fill in the stars!

1. **This President held a lot of odd jobs as a kid.** He shined shoes and picked cotton. After high school, he moved out to California to pick oranges and wash dishes to earn money for college.

2. **This President set his first car on fire.** When he was a teenager, he set his 75\$ Ford coupe on fire by covering the hood with blankets on a winter night... while the engine was still hot.

3. **This President let a raccoon into the White House (on purpose!).** He and the first lady named her Rebecca and took her on walks along the beach.

4. **This President was our first Vice-President.** As the Vice-President, he was known for having a short temper and getting into arguments.

5. **This President used to do outdoor chores.** As a 7-year-old, this future leader helped out in the family garden with his brothers. The boys also worked at their father's creamery after school.

6. **This President wasn't elected right away.** He lost the 1960 election to Kennedy. After this loss, he then left the White House and moved back to California.

7. **This President came from a family of leaders.** In 1841, when this future President was only 7-years-old, his grandfather was sworn in as head of state.
