

ICI HOMES®

Florida's Custom Home Builder

ICI Homes is one of Florida's largest and most prestigious home builders, committed to setting the standard for excellence in quality and service. With a rich legacy spanning over four decades, we stand at the forefront of the home building industry, consistently ranked among the Top 100 Builders in the nation for over a decade. We take pride in our dedication to innovation and design, offering a diverse range of new home models in communities across the beautiful state of Florida. Our commitment to excellence is reflected not only in our prestigious rankings but also in the countless awards we've earned for our homes and communities.

As pioneers in Florida's new home construction, we bring you cutting-edge designs and a wide array of architectural styles and floorplans. Whether you're seeking a modern retreat or a timeless classic, ICI Homes is here to match your lifestyle and price range.

Experience the difference with ICI Homes – where quality, service, and a commitment to excellence come together to build not just homes, but legacies.
