ABOUT

Brandon Bornancin is a serial entrepreneur who built two multimillion-dollar companies and has closed over \$100M in sales.

Currently, he is the CEO of one of the fastest-growing SaaS companies in the US (named “LinkedIn Top 50 Startups” 2020), a motivational speaker, and 18x sales author obsessed with helping sales professionals maximize their success.

As Founder and CEO of Seamless.AI, he helps 140,000 (and counting) companies flood their calendars and generate millions in sales using artificial intelligence to find anyone’s emails and phone numbers.

Mr. Bornancin is also the author of over 15 sales books in The Seven Figure Sales System series containing thousands of pages of sales scripts, strategies, and secrets that he has battle-tested throughout his career to generate his success.

Mr. Bornancin is also the podcast host of “Sales Secrets From The Top 1%” and the author of Sales Secrets From The Top 1%, where he interviews the world’s best sales experts on their top secrets to sales success.

Brandon Bornancin is also heavily involved in the community, helping spread awareness for whole-food, plant-powered living and for organizations supporting Alzheimer’s disease, cancer, heart disease, diabetes, and many others. He lost his mother to Alzheimer’s disease when he was in college and believes the food we consume can prevent the world’s deadliest diseases.

He currently resides in Columbus, Ohio and New York, New York with his wife, Danielle Demming.
