

# How to adjust Used Vehicle Discounts

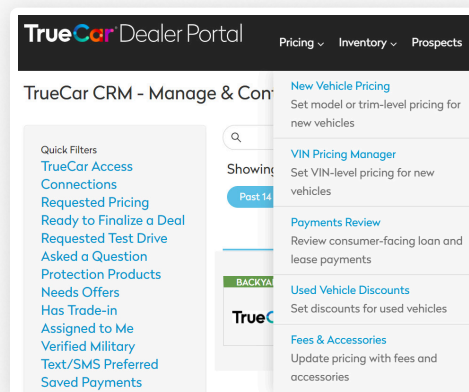

Generate more introductions and sales for your dealership by offering used vehicle discounts off your list price on TrueCar-powered auto buying programs.

## From the Dealer Portal:

1. Log in at **dealerportal.truecar.com**.
2. Hover over the **'Pricing'** tab and select **'Used Vehicle Discounts'**.
3. Select an option to include this discount on all TrueCar sites or on Member Network sites only.
4. Enter your TrueCar discount for each listed price range. You can select a discount based on a dollar amount (\$) or percentage (%) by clicking the toggle on the right side.
5. Click **'Save Changes'**.
